

Pro-Clean

Evaporator and Condenser Coil Cleaner

PRO-CLEAN

Pro-Clean is an effective alkaline based concentrated coil cleaner that removes dirt and grease from indoor and outdoor coils. Pro-Clean also removes bad odours from air conditioning equipment. Pro-Clean is biodegradable and user friendly.

- **Concentrated coil cleaner**
- **Controlled foaming for indoor equipment**
- **Helps control bad smells**
- **Biodegradable & safe for condensate pumps**

INSTRUCTIONS: Wear eye and skin protection when mixing or applying product to avoid irritation. Turn off unit before cleaning. Mix 6 parts water with 1 part Pro-Clean. Pro-Clean should be diluted in a plastic container or low pressure sprayer and applied liberally to coil surface. Allow 5-10 minutes for solution to react and dissolve contaminants and provide initial coil protection. Pro-Clean is self rinsing on evaporator coils but rinsing with clean water is recommended for condenser coils.

MIX RATIO
6:1
Makes 35 Litres

CAUTION : Irritating to eyes and skin.

In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

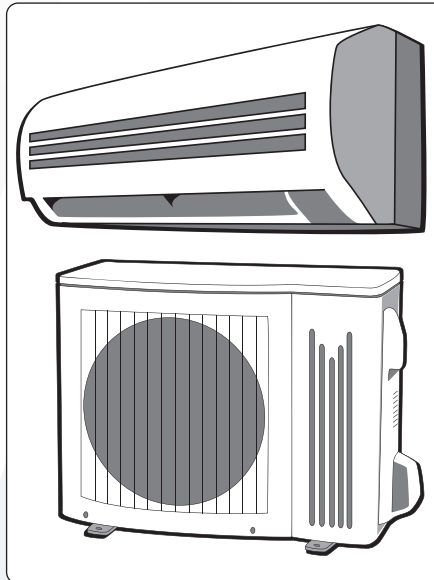

After contact with skin, wash immediately with plenty of soap and water.

Irritant

Wear suitable protective clothing, gloves and eye / face protection.

In case of accident or if you feel unwell, seek medical advice immediately (show the label where possible).

Keep out of the reach of children.

Material Safety Data Sheet available for professional user on request.
