

Case-Care

Hard Case, Facia and Diffuser Cleaner

CASE-CARE

Case-Care is an all purpose hard surface cleaner ideal for cleaning cassette units, facias, and difusers. Case-Care quickly and easily removes dirt, grease, and other soils from these surfaces leaving behind a clean and professional finish.

- **Effective and easy to use**
- **Ideal for fan coils and cassette units**
- **Removes smudge marks**
- **Also removes nicotine, grease and other soils**

INSTRUCTIONS: Shut the unit off. Shake can thoroughly before use. Hold can approximately 6" (15 cm) from the surface to be cleaned and spray evenly. Do not spray onto live electric motors or controls. Wait a few moments for Case-Care to break down the dirt and wipe clean with a dry cloth. In testing Case-Care has been found to have no detrimental effect on most surfaces. Test Case-Care on a non-conspicuous area prior to using.

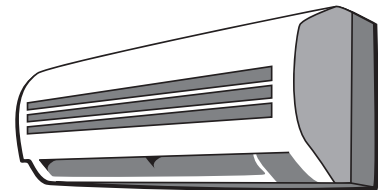

The recommended usage instructions are a guide only and the product should only be used by competent persons with the correct training and using the appropriate personal protective equipment. No liability will be accepted for any loss from using the product.

CAUTION: Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material.
