

Grime-Buster

Aerosol Foaming Coil Cleaner for outdoor coils ■

GRIME-BUSTER

Grime-Buster can be used on condenser coils to provide safe and highly effective cleaning with a minimum of time and effort. Grime-Buster may also be applied to condensate trays to clean and protect metal surfaces.

- **Improve air flow**
- **Removes dirt and grease from coils**
- **Non-Acid and non caustic**
- **Blasting nozzle for effective dirt removal**
- **Fast foaming action**

INSTRUCTIONS: Shake frequently during use. Before using this product, protect all electrical equipment and parts with plastic wrap or aluminum foil. Turn off the unit. Thoroughly saturate the coil and allow Grime-Buster to penetrate and react with soil for 5-10 minutes. Flush the coil and drain tray thoroughly with water. For stubborn build up a repeat application may be needed. Return the equipment to service.

CAUTION : Pressurized container: protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray on a naked flame or any incandescent material.

Extremely Flammable

Corrosive

Contains: SODIUM HYDROXIDE
 Causes burns.
 Extremely flammable.
 Keep locked up and out of the reach of children.
 Keep away from sources of ignition - No smoking.
